How It Works

1. BEFORE YOUR SESSION

- Send a general idea or specific spot where you'd like to propose, plus inspo photos.
- Send a recent photo of yourself so I can spot you easily on-site.

2. DAY OF

- Share live location via *Find My* or a *Life360* Circle.
- I capture the surprise moment, then step back before moving into engagement portraits.
- Setup items stay with you!

3. AFTER

- All final edited photos delivered via a private online gallery.
- High-resolution downloads with full personal print and sharing rights included.

Policies & Tips for Success

- **Travel Fees:** Based out of Sunnyvale, CA (94087). Billed at **\$50/hr**, calculated round-trip to your session location.
- **Late Arrival:** Sessions begin at scheduled time with 15-min grace period. Late arrival time reduces remaining portrait time.
- **Weather Policy:** In case of heavy rain or severe weather, we can adjust timing, move to covered location, or reschedule.
- **Photo Usage:** Photos may be used for marketing (Instagram/website) unless requested otherwise prior to session.

- **Payment Details:** Venmo **@sendjenny**. 30% deposit to book (or full session cost upfront). Balance due before editing. Add-on reimbursements due prior to session.
- **Pro-Tip (Timing):** Aim for the hour before sunset for the softest, most flattering natural light.
- **Pro-Tip (Pose):** Stay on one knee a few seconds longer than natural so I can capture multiple angles!
